Pharmacy Week is being celebrated in Trinidad & Tobago October 23-30, 2010 under the theme **“Let’s Get Better Together by Embracing New Roles”**. We have planned a week of activities and invite you to partner with us in this celebration so that together we will move the pharmacy profession forward. The focus of these events is to empower pharmacists as well as the general public to embrace new roles in Pharmaceutical Care. It is anticipated that over three hundred Pharmacists will be participating in the week’s activities.
