On behalf of the CPA executive for 2011-2012, we would like thank you all for selecting us as your representatives.

The executive has been given a mandate to serve and advance the pharmacy profession in the Cayman Islands, and to do this we will need the help and cooperation of each and everyone of you to make this a successful year. Also we would like to thank the previous executive which was so ably led by Samantha Connolly, and rest assured that your knowledge and experience will be relied on for us to go ahead.

Again we all say thank you for selecting us and we wish to have lots of fun and great achievements in the year ahead.

Did you know ?

The Cayman Islands Pharmacists' Association was established in 1982!

Goals

We endeavor to educate the community through outreach programmes. These programmes will see pharmacists going into schools to educate the youth of the importance of the pharmacy profession in the society, as well as promoting the profession to these students.

Additionally we would like to collaborate with other local associations such as the Cancer Society, The Diabetes Association as well as Cayman Heart Fund at the onset.

Representing the membership on issues pertaining to general membership in the Cayman Islands.

These are just a few of our objectives and we certainly look forward to your suggestions and feedback.
