FROM THE BAHAMAS

I think this CAP Facebook & Blog is super and I was so proud to display my CAP News - What's Happenin' with CAP right now @ our last BPA meeting on Thursday, Sept 24.

*We had 26 people there (including 4 non-pharmacists). **Mimi Roberts***

Mimi tells CAP she used a corkboard to post photos of CAP2009 in Dominica, put up a caption "Look who's on Facebook?" with CAP Facebook & Blog info. She added the CAP email alert: "What CAP can do for you?" and posted local info regarding the Minister of Health's upcoming Drug Plan debate in the House of Parliament.

WELL DONE, MIMI

BEN BOLHUIS - CURACAO

After returning from CAP2009 in Dominica, Ben Bolhuis suffered a major heart attack. Peter Fontilus, his friend and fellow CAP member recently wrote that he was back in Curacao after having 2 stents inserted because his arteries were 95% clogged. Peter also told us that he still gets tired very quickly, so the doctors had ordered complete rest which is difficult when he is the owner and pharmacist of one of the busiest pharmacies in Curacao.

CAP wishes Ben a speedy recovery.
