Congratulations

Congratulations to CAP Treasurer Radhika Sankar-Rothery on becoming the President of Diabetic Educators of the Caribbean Ltd. (DEC) A
Also elected to the DEC executive was Vivienne Watson also from Jamaica who was the CAP2010 Journal Editor.

Tropical Storm/Hurricane Tomas

CAP offers prayers and well wishes for its Caribbean colleagues, partners and friends as they recover from the effects of Tropical Storm/Hurricane Tomas. We pray that there is minimal damage to properties owned by them and that they will be able to resume operations in a speedy manner.

At the time of writing, St. Lucia had reported 7 deaths and EC\$30 million worth of damage to property. Some areas of the country had been cut off and many roads had been destroyed. St. Vincent & the Grenadines, while reporting widespread damage, had indicated that they were still prepared to host the CAP Executive Meeting & Leadership Summit 26-28 November 2010.

Condolences

CAP extends condolences to Tyrone and Joann Jack, St. Vincent & Grenadines, on the tragic loss of their son, Derron. Derron was a final year student at Virginia State University when he met his untimely death on 04 October 2010.

Joann was a member of the CAP2008-2010 Executive Committee and the Booth Coordinator for CAP2010 in St. Lucia.

President Bassil represented CAP at the funeral.
