

## ***JULES PHARMA LIMITED***

### **ABOUT JULES PHARMA LTD**

We are a United Kingdom registered company that distributes pharmaceuticals and healthcare products. Established since 2002, our head office is in Coulsdon, Surrey, England.

Our products range consists of generics, brands, over the counter and medical supplies, sourced from United Kingdom, United States, Canada and other European Countries.

We are efficient, uncomplicated and easy to do business with. We have consistently competitive prices on our extensive range of products.

Jules Pharma:

- Agents for one of the largest wholesale and manufacturing pharmaceutical distributors in the United Kingdom
- Exclusive distributor for the IDA Foundation; based in the Netherlands. A world leading not for profit supplier of affordable pharmaceutical products offering a wide range of essential medicines.
- Exclusive distributor for Fleming Medical, Ireland. Manufacturers of over 200 Medicare branded products which is a medical supplies range. We are currently seeking partners across the Caribbean. [www.medicare.fm](http://www.medicare.fm)

### **OUR VISION**

We endeavour to provide the cheapest and fastest delivery service for pharmaceuticals and medical supplies across the Caribbean.

For any further enquires please do not hesitate to contact us. We will be attending the CAP conference at Antigua and Barbuda August 9<sup>th</sup>-14<sup>th</sup> 2011. Please visit us at our booth.
